## Thoughts from the Board

By Kerry, W4SIG – MARAC Southeast Division Director

Fall is approaching! Temperatures are still HOT in most of the country, but that won't last too much longer. Before you know it, the air will be crisp, leaves will be changing to beautiful colors, Saturdays will be full of football tailgating, and it will be more comfortable for mobiles to hit the roads. Gas prices reaching record highs have stymied extra road travel for lots of folks, including county hunter mobile activity. But with changing weather, a slight lowering of fuel prices, and state QSO party season back in full swing (with no less than TEN during the month of September), we ought to have more opportunity to grab some of those elusive counties soon.

Speaking of elusive counties, check out Rick, **AI5P**'s article in this month's issue on his recent trip to the Great Frontier of Alaska. Looks like a beautiful trip and one I hope to take in the near future.

Folks, the 2022 MARAC National is fast approaching! I can't wait to get to Bozeman and see so many of you after several years of pandemic-forced

cancellations. Thanks so much to Donna, **AG6V**, and her work over the last three years to bring this to fruition!

There are multiple big mobile trips already on the calendar for this fall. Some are to the convention, and some are later. It's a good chance to pick up some of those Pacific Northwest counties and elusive Montana ones you may need. I

## Report from Alaska AI5P/M

### Visit to Wrangell-St. Elias National Park

I took my grandson to visit Alaska, so radio took a backseat. I did take along my Icom 7300, laptop and mobile antennas to try to activate the three parks we intended to visit.

Wrangell-St. Elias NP is about a 7-8 hour drive east of Anchorage. The last 60 miles of road is mostly dirt/gravel. At the end of the road you can park the car (\$10/day), walk across a bridge over the Kennicott River, and take the local shuttle to the small town of McCarthy.

The normal car rental agencies won't rent you a car for McCarthy due to that gravel road and busted windshields. So you have to search around to find one that will - rental costs (even for national brands) is around \$ 250/day during summer months in Alaska!

The park encompasses 13.2 million acres and is the largest park in the U.S. National Park system. Within the park boundaries are 16 of the highest peaks in the U.S. including the second highest - Mount St. Elias at 18,008 feet. The park also includes around 1,700 square miles of glacial ice - around 60 percent of the glacial ice in Alaska.

The major draw for visitors to the McCarthy area is the Kennecott Mines National Historic Landmark. This huge mill town complex of barn-red buildings operated from 1911 to 1938 mining the almost 70 percent pure copper found in the nearby mountains. The Copper River and Northwestern Railroad was built specifically to take in mining equipment and bring out the copper ore. By 1938 the rich copper ore deposits were depleted and both the mines and the railroad were shut down.

Along the stretch of road going to McCarthy, the land can belong to

the state, tribal corporation, private individuals or the National Park Service. You can see a sign saying "Entering the Park" and another sign saying "Leaving the Park" either 1/4 mile down the road or 5 miles down the road! Fortunately, I found a nice parking spot in the park just a couple of miles near the end of the road to McCarthy. No cell service, of course, but I was able to operate three times getting 57 contacts on CW, FT-8, and SSB. A number of county hunters were able to make it into my log for both the park and the 3d Judicial District credit.

See below for some beautiful pics from the trip!!

## Let's Talk About MARAC Awards at the Convention

The national convention is fast approaching. I am looking forward to seeing some familiar friends who I haven't seen in a long time since the 2018 convention or before. It was a shame we couldn't have the national in 2020 or 2021. I'm also looking forward to meeting some of the people who have joined that I have not met yet.

If you have some questions or ideas about the existing awards or possible new awards, please let me know and we can discuss those ideas during the time we are able to get together at the convention. Some of the other members of the Awards Committee are expected to be there also.

# MARAC Officer Nominations

Nominations are being solicited for the MARAC Officer positions of President, Vice President, Secretary, and Treasurer. If you are interested in running for any of these positions and qualify, please contact the MARAC Election Coordinator. The nomination period will be open until Oct 1st. An election will be held after the nomination period ends. Descriptions of these positions can be found in the By-Laws. Also, they can be generalized as follows:

## MARAC President Responsibilities

- Is Elected by MARAC membership for a term of 2 years. Can volunteer to serve subsequent terms
- Attends and participates in official Board meetings via conference call. These meetings are held when needed, usually about 4 per year. During these meetings may make motions on orders of business. Votes only to break a tie. This includes the MARAC annual Board meeting usually held during the National Convention.
- The President shall perform all duties incident to the office of chief executive officer, chair all meetings and other duties prescribed by the Board of Directors, or assign some other Board member to chair meetings
- The President may sign and execute documents in the name of the corporation deeds, except as otherwise provided by the express direction of the Board of Directors.
- Provides leadership for the MARAC organization to make sure things run smoothly

## MARAC Vice President Responsibilities

- Is Elected by MARAC membership for a term of 2 years. Can volunteer to serve subsequent terms
- When the President is absent or incapacitated, or at the request of the President, the Vice President shall perform all the duties of the President and shall have all the powers of and be subject to all the restrictions upon the President.
- The Vice President shall also perform other duties prescribed by the Board of Directors or the President
- Attends and participates in official Board meetings via conference call. These meetings are held when needed, usually about 4 per year. During these meetings make motions and vote on orders of business. This includes the MARAC annual Board meeting usually held during the National Convention.

### **MARAC Secretary Responsibilities**

- Is Elected by MARAC membership for a term of 2 years. Can volunteer to serve subsequent terms
- Notifies Board members of date, time, and location of upcoming Board of Director meetings, along with proposed Agenda
- Notifies MARAC webmaster prior to an official Board meeting so that notice can be created at least 7 days prior to a meeting
- Notifies Board members of date and time of conference calls needed for discussing club business
- Creates, from Board input, a meeting Agenda
- Attends and participates in Board conference calls and official BOD meetings. Votes on motions made. Conference calls are usually monthly, official Board meetings are roughly 4 per year.
- Takes the minutes during a Board of Directors Meeting
- After each meeting, distributes a draft of the minutes for Board members to review. A final copy of these minutes should be attached to the agenda of the next Board meeting so that they can be voted upon for final approval. These minutes are then sent to the MARAC webmaster for posting on the marac.org website
- Keeps a list of topics for Board discussion at each monthly conference call.
- Either runs each meeting, or assigns another Board member to run it for him/her.
- Gathers required reports from MARAC positions needed to create the Annual Report each July meeting. Distributes this annual report to the Board for

approval. Then sends a copy to the webmaster for publishing on the MARAC website

---

## MARAC Treasurer Responsibilities

- Establish, with approval by the Board of Directors, checking and savings accounts in the name of MARAC at a banking institution convenient to the Treasurer
- Receive payments to MARAC via check mailed to the Treasurer or through MARAC's Pay Pal account, and deposit these payments in the MARAC checking account

- Pay, by check on the MARAC checking account, the expenses of the organization
- Maintain accurate records of the receipts and disbursements of funds
- Provide a monthly financial report to be published in the Roadrunner, and provide an annual financial report for inclusion in the annual report to members
- File with the IRS online the corporation's annual tax return
- MARAC is a Kansas corporation. An annual report must be filed with the State of Kansas in order for the corporation to remain in good standing.
- MARAC does not have a credit card in the name of the organization, so the Treasurer will need to use his/her personal credit card for payments which are required to be paid online, and then reimburse that cost by check on the MARAC checking account
- When it becomes known that a MARAC member who has prepaid funds for awards has died, then the Treasurer should, after confirming with the Awards Manager the amount on deposit for that member, attempt to communicate with the family of the decedent to determine to whom the funds should be disbursed or if the family authorizes the funds to be transferred into the general operating account of MARAC.
