Thoughts from the Board

By Kerry, W4SIG MARAC Secretary

Wow, have we had storms! Nationwide, there have been floods, tornados, and snow storms. This has significantly affected mobile activity. Jim, **N8HAM**, had a difficult time traversing through Kansas, Karl, **K4YT**, was impacted with significant rain during his excursion into OR and WA. Personally, a near white-out condition hit me during my mobile activity in UT and WY. This month we saw mobile activity from **K8ZZ** in IL and IN, **N8HAM** in OK, KS, and IA, **W4SIG** in UT and WY, **NU0Q** in MN, **NA8W** in FL, **N3MRA** in FL, **W0SK** in TN, **N3KAE** in PA, **AI5P** in AR, **W5VS** in VA, **K4YT** in OR and WA, **N8KIE** in HI, **KB6UF** on long trip from LA to CA, and **WN0T** in CO. Hopefully things will settle down soon and we can be rid of white-knuckle driving.

The State QSO Party season is upon us. Activity, so far, has been tremendous. The North Carolina and South Carolina contests produced a ton of activity. Hopefully, you got some new ones in the log. With this and all the POTA activity, there might be hope yet for someone to grab the ever-elusive No-Star Award.

MARAC yearly elections are coming up this year. Please check out the articles in this edition for more details. Also, the Michigan Mini is rapidly approaching. Get your registration and hotel reservations made soon. I just made mine and hope to see you there!

From time to time there is some confusion on how to apply and

submit Logs for various MARAC awards. See below for an article highlighting the process that may help you out.

The demise of *CQ Magazine* and thusly the USACA Award is foremost on the MARAC Board's minds. We are working behind the scenes to see what our action needs to be from this point onward. As always, we welcome input from members on this and all issues.

In February, there was another successful MARAC Board meeting. The unofficial minutes are on the marac.org website for your perusal.

Have a great March and enjoy the beginning of Spring!

73 and Happy Hunting!

Upcoming MARAC Elections

By Ron, KF7ZN, MARAC Election Coordinator

Nominations due May 15, election June 1. Send official notice of interest to Election Coordinator Ron, KF7ZN at rglogan73@gmail.com

I hope this finds everyone having a good year. For those with losses, illness or other challenges I hope that you can find peace and hope. Here in Utah, we have had a wonderful abundance of much needed moisture. My snowblower has received a lot of use, as have the grandkids sleds. Normally my workload does not let me get on much during the day, but I have had a few opportunities to work some mobiles and picked up eleven new counties towards my first time award.

If any of you are planning on attending the Rocky Mountain Ham Radio Convention in St. George Utah, in July, make sure and let me know so we can meet in person. I am in charge of the program and the presentations, so if you are planning on being there and would like to do a presentation on a ham radio subject let me know right away and I will take a look at it. I do a lot of presentations for HamSCI and clubs all over the states, (see my QRZ.com site), I always mention DXing, HamSCI and county hunting, not sure if anyone has joined MARAC because of that but generates interest and some questions.

This time of the year also brings our Officer and Director elections. Please be aware that the **deadline for nominations is May 15** and I will be sending out the ballot, if needed, on **June 1**. This year we will be voting for all of the officers: President, Vice-President, Secretary and Treasurer. We will also be voting for two directors: Great Lakes Director and Southeastern Director. If you have a nomination, please email me with the information. You can find my email on the MARAC database and QRZ.com.

Here are the areas/states that these directors represent.

Great Lakes District - Indiana, Michigan, Ohio, Pennsylvania, West Virginia, and the Canadian call area for VE3

Southeast District - Alabama, Delaware, District of Columbia, Florida, Georgia, Kentucky, Maryland, Mississippi, North Carolina, South Carolina, Tennessee, Virginia, Africa and the Caribbean Islands.

Here is a description of the role and its responsibilities that Kerry, **W4SIG**, has previously posted for directors:

Responsibilities of MARAC District Director

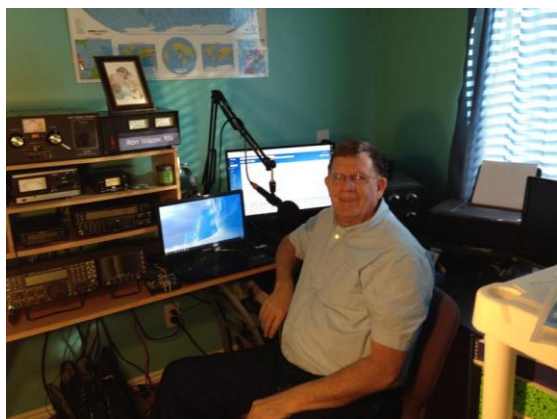

- *Shall adopt all policies of MARAC in accordance with the provisions of the Bylaws*
- *Serves a 3-year term, with the option of volunteering for subsequent terms*
- *Participates in Board discussions regarding topics related to MARAC. This can be via email or during periodic (usually monthly) conference calls*
- *Attend and participate in official Board Meetings via conference call. These meetings are held when needed, usually about 4 per year. During these meetings make motions and vote on orders of business. This includes the MARAC annual Board meeting usually held in July.*
- *Act as a focal point of communications for members of your District when issues or questions arise.*
- *Serve as a liaison of communications to an appointed MARAC position*
- *Be creative in finding ways to assist MARAC in supporting its members and growing our club*

For more information about the role of the officers please reach out to our current officers or see the MARAC website, go to About, and then Bylaws.

We will let you know before the June 1 voting date the status of each position and the nominations.

How to Submit for MARAC Awards

By Kerry W4SIG

Are you about to finish up a Whole Ball of Wax (WBOW) award? Maybe you are even considering submitting for a 1000, 2000, or 3000 level of a MARAC award you have been working on. Since so many of our awards are challenging, it may have been awhile since you last needed to submit for one of these major awards. Hopefully this will help to explain the process and make your submission a lot easier. There are two parts to the submission process; the MARAC Award Application and the Log submission(if necessary, see below).

AWARD APPLICATION:

The first step is to go to marac.org. Then select the "Awards" Tab. You will then see a row of four available tabs, "Last County Application (LC1 and LC2)", "Worked all Counties Application", "Ran all State Application", and "Check Submitted Applications".

1)The LC1 and LC2 awards are awards you apply for when you want to send a "thanks" to the station that gave you a Last County (LC). The LC1 is for last county in a state, while the LC2 is for last county in the USA. These are easy to apply for and are a great way to show your appreciation for someone giving you a last county. There is NO need to also send in a copy of your log for applying for these awards. Just fill in the fields for this award and hit Submit and you are done!

2)The Worked all Counties Application is for when you are applying for either a 1000, 2000, 3000, or Whole Ball of Wax level of an award. You will be presented with a form to fill out. Make sure to fill out all the fields. Especially note which level of the award you are applying for. Make sure to hit Submit at the bottom of the page. You will then also have to submit a Log to the MARAC Awards Secretary (more on this to follow)

3)The Ran all State Application is for when you, as a mobile, have completed transmitting and making a contact from all the counties in a particular state. You will need to also send in a copy of your log for this award.(more on this to follow)

4)The fourth tab is Check Submitted Applications. This is where you can check to make sure an award you have submitted has been received by the Awards Manager.

Log Submission:

As mentioned above, if you are applying for either the Worked all Counties or Ran all State awards, you MUST also submit a copy of your log to the MARAC Awards Secretary. How do you do this?

There are a few simple steps within Logger that allow you to do this easily.

Within Logger, go to the "Tools" tab. Then choose "Output Award Book Logs". A popup box will list all the available awards you can choose from. Check the appropriate box for the award you have applied for, then at the bottom of the page select "Review". You will then see a list of all the contacts in your log for the award you specified. At the bottom of the popup window, select "Save to Disk". This will automatically create a file

on your computer with the log info needed for submission. The file will be saved on your computer under the C:\RoadRunner Logger Data\Output Logs folder. Then create an email to the MARAC Awards Secretary pyasson@pacifier.com and attach this saved file to the email. This will complete the Log submission part of the awards process.

Hopefully this helps to clarify the process. If you need further assistance with this, please contact Dave, KE3VV, at davidsplitt@erols.com. He will be glad to assist with anything using Logger.

Logger Support Announcement

By Kerry W4SIG

This is a reminder....As mentioned in the opening article of previous months' RoadRunner, a new support structure has been created for support of the Logger program. PLEASE, everyone send ALL Logger questions/problems to Dave, **KE3VV**, davidsplitt@erols.com. DO NOT send them directly to Logger programmer, Don, **K3IMC**. Dave will look over your issue and try to resolve it. If he cannot, he will package the issues and effectively relay them to Don for attention. This move is VERY necessary to alleviate the workload on Don. He is very busy making Logger the best program it can be and implementing new features all the time. So, everyone please remember this procedure when you have any issues with Logger. It will make everything flow more smoothly and allow Don to keep some of his hair! Hi!

MARAC Booth at Dayton Hamvention

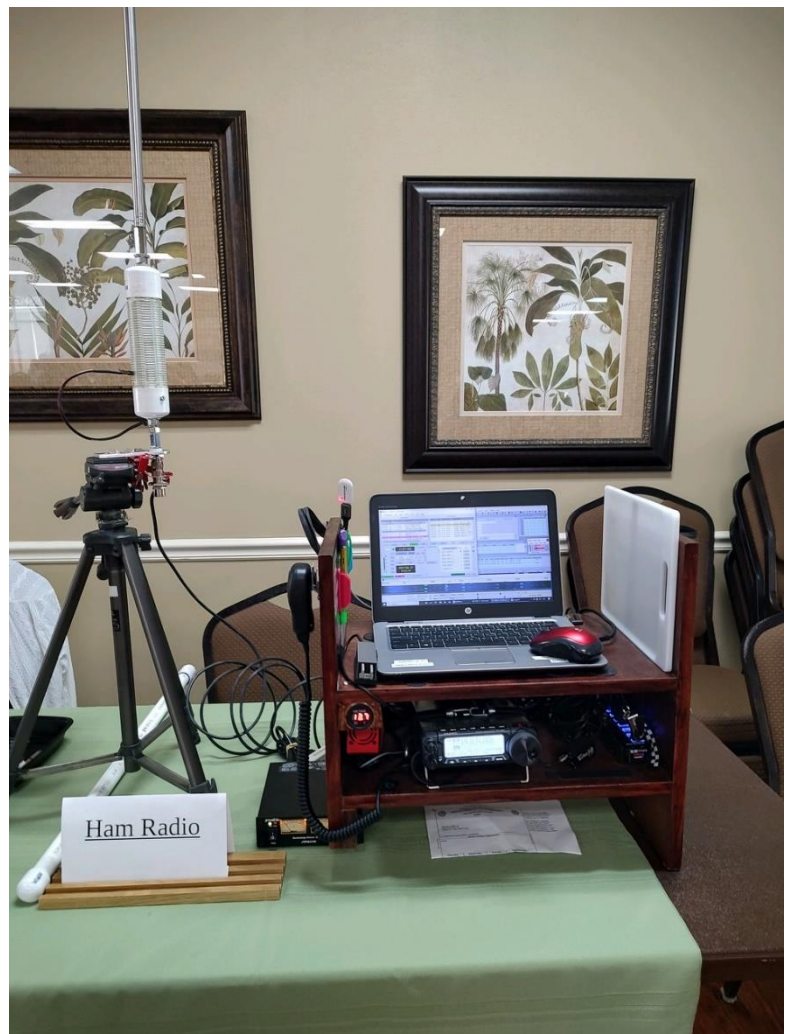

By Kerry W4SIG

MARAC will once again host a booth at the 2024 Dayton Hamvention this spring. Mike, NF0N, is spearheading the booth this year with help from Alan, W8OP, and Sharon, KJ8F. We will be in Building 5 at booth number #5103. Please stop by for a chat, sit for a spell, and maybe give a break to one of the other county hunters so they can walk around a bit.

Ham Radio on Display

By Kerry W4SIG

While in Florida for the winter months, Darl, **NA8W**, has been busy spreading the word about ham radio in his community. This is Darl's setup at a booth in the local area. Thanks, Darl, for putting this together!

MARAC Awards Report

By Kerry, W4SIG

The following are the awards that were earned and processed for the last month. Note that some members do not apply for levels of awards (i.e. 1000, 2000, 3000, etc), but rather wait until they work all 3077 to apply. Thus, some may have worked all 3077, yet do not have the various lower level awards.

Call	Award	Level	Cert. No.
W0GXQ	Gemini		185
